Expenses

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also include disbursements which are payments that are first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are divided into those that do not need approval before they are charged to the estate, Category 1 and those that do, Category 2.

Category 1 Expenses

These are payments to persons providing the service to which the expense relates and who are not an associate of the office holder. Category 1 expenses can be paid without prior approval.

Typical examples of Category 1 expenses are:

- Advertising
- Insurance
- Travel costs other than milage costs
- Document storage

Category 2 Expenses (effective from 1 April 2021)

These are payments to associates or which have an element of shared costs. Before being paid, Category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Typical examples of Category 2 expenses are:

- Cost Mileage incurred because of necessary travel, as per cost at HMRC's approved rate per mile.
- Photocopying

It is the policy of Beacon not to charge Category 2 expenses
